

FOR IMMEDIATE RELEASE

**MechoSystems' Steven Polley  
Promoted to Territory Manager**

Milton Keynes, UK – MechoSystems has appointed Steven Polley as Territory Manager for London and the South East. Polley continues to support export opportunities and the company's UK sales team.

Polley will report to Gary Haynes, the Managing Director of MechoSystems UK, Europe and the Middle East. Newly appointed Regional Sales Managers for London and the South East, Rob Booth and Grant Carberry, will report to Polley.

MechoSystems is the leading innovator of manual, motorised and automated solar shading and room darkening solutions. Visit [mechosystems.co.uk](http://mechosystems.co.uk) for additional information, including technical or commercial enquiries.
